46	Hertford	N	96	Wayne	R
47	Hoke	R	97	Wilkes	NA
48	Hyde	B	98	Wilson	R
49	Iredell	C	99	Yadkin	G
50	Jackson	NA	100	Yancey	NA

R - Raleigh/Greensboro
 C - Charlotte/Greensboro
 N - Norfolk/Wallops Island
 B - Beaufort/Newport

G - Greensboro/Greensboro
 W - Wilmington/Charleston
 H - Hatteras/Norfolk

NA - These counties are located in areas where terrain features are such that site specific data may be the only option for conducting refined modeling. Contact the AQAB to determine the most representative NWS data set, if any, or the most appropriate modeling methodology.

¹ - The Hickory/Greensboro meteorological data set should be used for locations within Hickory; for other locations within Catawaba Co., Hickory/Greensboro or Charlotte/Greensboro data, where applicable, may be used but will require prior approval from the AQAB.

² - The Hickory/Greensboro or Charlotte/Greensboro data, where applicable, may be used but will require prior approval from the AQAB.
